

HSBC Advance Mastercard®

Rates and Fees Information Box

Annual Interest Rates	<p>These interest rates are in effect on the day your HSBC Mastercard account ("Account") is activated.</p> <p>Purchases and fees: 19.9% Cash Advances: 22.9% Balance Transfers: 22.9% Cheques: 22.9%</p> <p>If you do not pay the Minimum Payment in full by the due date on your Account statement two billing periods in a row (the "first" and "second" billing periods), your interest rates in effect at the end of the third billing period will increase by 5% per year. The increased rates will apply on the first day of the fourth billing period and will continue to apply until you qualify for a rate decrease.</p> <p>If you pay the Minimum Payment in full by the due date on your Account statement six billing periods in a row (the "first" through "sixth" billing periods), your previously increased rates in effect at the end of the seventh billing period will decrease by 5% per year. The decreased rates will apply on the first day of the eighth billing period.</p> <p>Example: Your billing periods end on the last calendar day of each month and your Minimum Payments become due on the 22nd calendar day of each month. If you miss or are late to make Minimum Payments that become due in December and January, your rates in effect on the last day of February will go up by 5% per year starting on the first day of March. An annual interest rate of 19.9% will increase to 24.9%.</p> <p>If you pay each Minimum Payment that becomes due in March through August in full and on time, your previously increased rates in effect on the last day of September will decrease by 5% per year starting on the first day of October. An annual interest rate of 24.9% will decrease to 19.9%.</p>
Interest-free Grace Period	<p>21 days</p> <p>You will benefit from an interest-free grace period on new Purchases and fees of at least 21 days if you pay off your balance in full by the due date.</p> <p>There is no interest-free period on Cash Advances, Balance Transfers and Cheques.</p> <p>Interest begins to accrue on Purchases, Cash Advances and fees from the date of the transaction and on Balance Transfers and Cheques from the date posted.</p>
Minimum Payment	<p>Your minimum payment is the greater of 3% of the total outstanding amount (rounded to the next dollar) or \$10, plus all past due amounts and amounts over your credit limit. If the total outstanding amount is less than \$10, then the Minimum Payment is equal to the total outstanding amount.</p>
Foreign Currency Conversion	<p>2.5%</p> <p>We will bill you in Canadian currency if you use your Account to make transactions in foreign currency. If you make (or return) Transactions in a foreign currency, we convert the amount to Canadian dollars at the conversion rate that is 2.5% above a benchmark foreign currency exchange rate determined by Mastercard that is in effect and that we must pay on the date we post the Transaction to the Account. This rate may be different from the rate in effect on the date you made the Transaction.</p>
