2. Eligibility

The Program is offered at our sole discretion and is available if you are currently enrolled in the Program and your Account is in good standing. Your Account is in good standing as long as you fully comply with the terms and conditions of your Cardholder Agreement and these Terms. You may not earn or redeem Points if you are in default under the terms and conditions of your Cardholder Agreement or these Terms. HSBC Plus Rewards Program

Terms and Conditions

Points are non-transferable. Points are not divisible in case of separation, divorce, bankruptcy or otherwise.

4. Earning Points

- a. Your Rewards Account is awarded Points based on the Earn Rate for Net Purchases charged to your Account during the operation of the Program. For purposes of these Terms:
“Net Purchases” means the amount of purchases of goods and services that are charged to the Account except for quasi-cash transactions (which include purchases of wire transfers, travelers cheques, foreign currency, money orders, payment of an existing debt, bets, lottery tickets and gaming chips), less any credits. No Points shall be earned in respect of cash advances (including balance transfers and cheques), optional services, interest charges or fees.
- b. “Dining and Entertainment Purchases” means Net Purchases at merchants that are classified in the Mastercard network as restaurants, bars, nightclubs, fast food restaurants, movie theatres, theatre producers, ticket agencies, bands, orchestras, professional sports clubs, sports promoters, tourist attractions, aquariums, zoos, amusement parks, video game arcades, billiards, bowling alleys, video entertainment rental stores or recreational services. Some merchants may sell dining and entertainment services but are classified in another manner; purchases from such merchants are not treated as “Dining and Entertainment Purchases”. The eligible merchant categories for “Dining and Entertainment Purchases” may change without notice.
- c. Credits for returns, refunds, rebates or adjustments reflected on your Account statements during the operation of the Program will reduce or cancel Points originally earned. Each return, refund, rebate or adjustment is multiplied by the appropriate Earn Rate to determine the number of Points to be deducted. If your Rewards Account has insufficient Points available for the credit, we may deduct Points from future Points which are not yet earned or charge your Account for the value of Points which cannot be so deducted, at the rate of \$0.50 for every 100 Points (plus applicable taxes). This right will survive termination of your participation in the Program.
- d. On occasion, additional Points may also apply to special offers, or be awarded by participating merchants or service establishments. In addition, we may offer bonus Points based on a higher Earn Rate from time to time. All such special offers, including bonus Points offers, are subject to applicable offer terms and conditions.

5. Redeeming Points

- a. You can redeem for available Rewards by going online at **rewards.hsbc.ca** or by calling HSBC Rewards Customer Care at **1-888-560-4722**, unless otherwise stipulated in these Terms.
- b. Points are available for redemption within 5 business days of your qualifying purchase, as set out in Section 4(a) of these Terms. You must redeem your Points during the operation of the Program and during the time that your Account is in good standing.
- c. When you request your Reward, your Rewards Account will be debited the number of Points you are required to redeem for that Reward. Redemptions are non-refundable / non-returnable, except as provided in these Terms.

6. Points Summary & Verification

You must examine promptly each Points Summary and each entry and balance recorded in it. If you do not notify us in writing of any errors within 30 days from the statement date indicated on the Account statement, we are entitled to treat the entries and balances in that Points Summary as complete, correct and binding on you. Your Points Summary will reflect the Points earned during the statement period, including the amount of any bonus Points earned during the billing period.

7. Rewards

All Rewards are subject to availability and the rules and restrictions of Rewards suppliers. We reserve the right to alter, change, or terminate any Rewards, in whole or in part, at any time without notice. In all cases, rebates earned under this Program do not count towards your Minimum Payment.

If a suitable substitution is not available, the Points used will be credited back to your Rewards Account and you will be contacted and advised to make another selection.
- b. If an item is temporarily out of stock, you will be notified and advised of the anticipated delivery date.
- c. The items received may not be exactly as illustrated due to the fact the manufacturers sometimes change models or the displayed articles are in limited quantities.
